### Lady Warrior Bowlers Recognized By NYS for Academic Success

SALAMANCA, NY – The Salamanca City Central School district girls' bowling team was recently recognized as a Winter Scholar Athlete Team by New York State for the fifth consecutive season. The girls finished the season with a 95.2 average, their fifth straight season over 95%.

Although New York stopped ranking individual teams across the state three seasons ago, previous results had the Lady Warriors with a top 10 GPA for all girls' bowling teams in New York State with a GPA over 95%.

"They are a great group of girls that know the importance of getting it done in the classroom," said coach Gene Jankowski. "They deserve all the credit. This started five years ago, so only half of them were on the team then. The expectation and tradition keeps getting passed down and the girls work hard to keep this going every year. It is great to have this recognition for all their hard work ... and they are pretty good on the lanes, too!"
